Dear Cablevision:

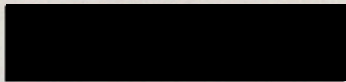

Your new three-tier rate plan puts C-SPAN 2 in the "basic" (and cheapest) service. It puts C-SPAN 1 in the second class and it puts CNN and Headline News in the third (and most expensive) category.

Why?

Sincerely,

Brian Lamb -

Feel I know you -
watch C-Span when ever I saw! -
I.C.S. of Or. has just omitted
your station. To get it we have
to have a box installed and pay
extra.

We have been gauged enough
as their receipts pile up.

If this ever reaches you -
please expose them -

Sincerely

More people need you
especially now. You make TV. worth
while.
