

The new album **Hangin' With Rodney**
featuring "Dancing With A Man"

"If Sam Kinison and Hank Williams, Jr.
had a baby, he'd grow up to be
Rodney Carrington." **BOB & TOM**

I think e-SPAN should
have a good look at
"Paul", your host on
Saturday 6-6-98. He
never gives his name
and it never is shown
up on the T.V. screen.
His liberal bent is obvious.
I also think he's troubled
chewed fingernails should
tell you something. I am
a long time fan of yours
(I think Paul is his name) Thank you!
