Dear Mr. Lamb,

I am writing you in regard to your relationship with the Close-Up program over the years. I participated in the program this year, and it was one of the most educational **and** exciting trips I have ever had the pleasure of taking.

C-SPAN's participation in Close-Up is greatly appreciated. Your company brings the Close-Up experience into the homes of other Americans who may not have the opportunity to participate in or maybe have never heard of the Close-Up program. The coverage C-SPAN does on the programs helps involve the public in Close-Up and may bring about new participants.

Thank you for the aid you and your company has given to the program over the years. I hope to be able to watch next years programs on C-SPAN.

Sincerely,

000504 JUN 21 1993
