Dear C-SPAN

THIS Letter is sent to ~~to~~ register my disgust with the way in which the Host Jim GATLEY conducts the call in shows.

Last week when Congressman CARL PURCELL was the guest, it seemed as though it was the representatives show, considering the way he would continuously interrupt the callers. I do feel that the Host would have better served the viewing audience had he reminded the guest that the caller ~~did~~ had a viewpoint and to allow the caller to finish his question.

On Tue 10-30-90 the Host Jim Gatley (8 AM call-in show) Acted As a buffer for the Host on two occasions when the host was questioned as whether or not the

host was Jewish and another when  
the caller suggested that the host  
be prepared to reveal whether ~~one~~  
or not one has a special interest  
in a particular group, ~~so that~~

This hardly represents the  
Democratic Process

Yours
