C-Span:

There is no ^{C-Span} program listing in the television section of the Naples Daily News - Naples, Fl. I am told by the Colony Cable Co. that C-Span does not provide a program guide.

I do follow (and like) Bryan Lamb's program at 9 A.M. - but cannot seem to locate Booknotes!

Please - do you have a general outline - not as to content - but about

Programa Timis?
