To all at C-SPAN,

Enclosed please find
a self-address envelope
for a C-SPAN BOOKNOTES
bookmark.

I watch C-SPAN daily
and Book Notes weekly.
(They are definately the
best that television has
to offer!)

Fantastic work Brian
Lamb. Congratulations on
your twenty years as CEO
of C-SPAN. What a concept.
Commercial free - Bias

After renewing your
Booknotes - Life Stories

at the library six times, my son
sent me my own copy for Christmas.

Also, my daughter is using your
material as a teacher on the history
of the American Presidents. I watched
the entire series. Of course my
favorite ones were John Adams and
John Quincy Adams - because I was
born and ^{lived} thirty five years in Quincy,
Mass. Just a little trivia: Massachusetts
can boast that of all the presidents
we have four who were born in the
same County (NORFOLK) of Massachusetts
John Adams, John Quincy Adams, John
Fitzgerald Kennedy and George F. Bush.
It must be the excellent educational
resources ☺.

With great appreciation for
C-SPAN I and II.
