Dear Sir: 002594 MAR 29 93

This concerns C-SPAN,
which I have a comment
on two on.

Your programming is
beloved and highly in-
teresting. As a suggestion,
perhaps you could have
such guests on as
Dione K. Goh (who co-
authored a book with
Chief Darryl Yates; she
used to work for News-
week), and Katherine Milton,

I. (over)

Who discusses National
Service on your pro-
gram once with Dallas
Boaz (who took the
Libertarian perspective
on the issue). Perhaps
you could televise that
program again? I found
it to be very engrossing.

This aside, ~~the~~ since
cults, religion, are such
timely topics, perhaps you
could have such guests
as the following: Rabbi
Harold Kushner (who has
authored several books on
II.

religion), Jill Smolome
(of Time), and Ellen
Johnson (the American
Atheist Society).

I would also like to
see more programs with
labor leaders, philosophers
as guests; more programs
covering such themes as
life in urban America,
crime, unionism.

Sincerely,
