Dear C-Span:

Rush Limbaugh has polarized this nation to the point that anyone who even mentions politics evokes hatred from one side or another. This country will "go down the drain" unless there is moderation and respect enough to work together!

I knew that "Rush" would be broadcast on C-Span over the weekend, so I made sure that C-Span was off either of my TV sets for the entire weekend. I am not liberal enough to listen to a person who is tearing us apart with hate and inuendo.
