Dear Sir,

I watch C-SPAN seven days a week and at least average four hours a day. It is the first time that a T.V. program has been truthful and no bias shown to either Republican or Democrat parties.

What my problem is and the reason I am writing you this letter is to let you know about a change that C-SPAN is slowly but surely doing!

In the past couple of months it seems C-SPAN is having more and more liberal type reporters and writers on the program? This may not be intentionally but it is a fact I do not like it!

On your Journalist's Roundtable Thursday Dec 2nd you had a Ken Walsh, Bill McAllister and another lady reporter on your show and they gave the liberal point of view on all their questions that were called in! They never answered any questions that was negative toward the Democrat liberal and seemed to evade the question if it was not positive toward a liberal point of view.

Your M.C. or C-SPAN reporter on

that show did not at any time
push these liberals for an answer
and let them off the "hook" on
every question!

If C-SPAN continues to let this
type of bias take place and does
not keep the conservative point
of view equal to the liberal I
intend to stop watching C-SPAN!

C-SPAN is not a "wolf" in
"sheep's" clothing is it? Are you
going to join ABC, CBS, CNN &
NBC and tilt your program format
to only the liberal point of view
and not be fair anymore?

I intend to watch C-SPAN
another thirty days and if I do
not see a change I intend to
do every thing I can to make your
liberal bias known to the public
at large.

Respectfully
