Dear Sir:

Miss Lunsby (spelling) is no representative
of the American women. In 88 + very poor at writing
(Please excuse the lines)

Miss Lunsby's citizenship should be
taken away. + if she was a good person, she should
have slapped Clinton's face. Miss Lunsby is a
thru + promiscuous person. promoting herself.
I still feel that some group wants the
White House. Your group should, in the future
check Miss Lunsby checking acct. also her mother.
~~Someone~~ is paying her.

I entered of history + Lear trash. Someone
always makes a mistake. I feel Tentation was
Clinton weakness. He did to protect his family. I would
be if it would hurt my family. The Lord may have heard
Clinton as an example. The people of our country
are going down hill. I live in a White Home Park.
Needn't ~~at~~ steel my groceries. I have to have help. I ~~injured~~
my knee in a fall. Very few are honest. There is no Gov.
exchange to go to.

Getting old is ~~not~~ a joy!

I'm very grateful for the Medicare I receive. There should be more articles for retired people on saving for retirement safely. I worked two jobs, sent my son through Vapo 'N' did. place a \$10.00 to \$20.00 monthly in savings. I retired with a good nest egg & live safe. Thanks for listening. People should get ready at 65 & save for retirement. Small savings add up.

Miss Lursky is a disgrace to the United States. More citizenship should be taken away. ~~away~~ it would set a good example for people who do wrong & cheat the Wonderful U.S.A.

Miss Lursky is ^{more} ~~now~~ to blame than Clinton. It takes good women to make a good country. ~~She~~ should be stopped!

Yours truly
