

Marge Amey,

My name is [REDACTED]

and this sex scandal  
involving President  
Clinton has gotten  
way out of hand,

Of all the chaos, turm-  
oil, Violence, Immoral-  
ity, Oppression and  
evils in society, why  
are we so fascinated  
by the President's sex  
life? The things we  
should focus on are  
being ignored and  
grossly put aside.

With all the wicked-  
ness and social break-  
down of America, you'd  
think the President's  
Private life could be  
the very least of our  
Concerns, Ms. Amey,  
the real vital, big  
problems we should  
Concentrate on we  
are not such as  
Crime, Violence, Un-  
employment, Disease,  
Starvation, Poverty,  
Hatred, Alcoholism,

Fraud, Racism, Drug  
Use, Pollution, Greed,  
Murder, Assault, In-  
flation, Burglary,  
Arson, Taxes, Lying,  
Gambling, Teen-aged  
Pregnancy, Homeless-  
ness, Prostitution,  
Sickness, Rape,  
Suicide, Armed robbery,  
Family breakdown,  
Domestic Violence,  
Smuggling, Extortion,  
Education, Vandalism,  
Car theft, Terrorism,

Fear, Cheating, Mole-  
station, Discrimina-  
tion, Sexual harrass-  
ment, Illegal Immi-  
gration, Foreign  
Trade and Abortion  
are at an astronomic  
level and are worse  
then ever before. In  
fact these have now  
all reached such a  
dangerous stage,  
Society is facing  
Self-destruction!  
Ms. Amey, this

Nation is in the  
Worst shape ever,  
now our very exist-  
ance is threatened.  
This Presidential  
Crisis is a huge  
distraction, it is  
taking Mr. Clinton  
away from his  
work of leading  
America! All this  
rubbish is totally un-  
necessary, let us  
go forward and live  
life!
