We voted in the majority in the house. They used it, they abused it and they should loose it. People will not forget in the next election. Being their vote dont count, so says the majority in the house.

I watched the hearings they lied. They said they were sadden also its a hard thing to do.

They have so much hate, they love it. They have tried this for over 4 years with huxting on tax payers money. What do they have? consensual sex

If you believe when this conservative House says, if he would say, I committed perjury, he would be forgiven
If you believe that of the hate group
Then you believe Red in Green
