2197-90
JUN 19 REC'D

JUL 16 ANS'T

June 11, 1990

Dear C-Span,
I was surprised that C-Span did not carry live the June 10 "March For animals." This was the largest animal rights rally in the united State with over 24,000 people. C-Span carried the anti abortion rally live and later repeated it. why wasn't the "March For Animals" carried on C-Span?

Thank you,
