Dear C SPAN,

NOV 07 ANS'D

Thank God for you. But you
never replay the morning call
ins. They're very IMPORTANT. (At Nite)

Please replay over & over the
Replays of the people ^{calling}. I think
the tide is turning. But the people
are afraid to speak ^{out}. ~~But~~ People
work. At night they may think their
not alone and start speaking
how they really feel — if they heard
other regular folks. People are afraid to speak.
I find.

The Tide is turning. But the politicians
haven't got the message YET or the scared
