After their parents died ('94+'95), we came across school photos of other students. I didn't have the heart to toss them out thinking that sometime they'll find their way back home (when I have the time to search). I hope this picture is you - or you can tell me who it might be.

We've been watching satellite television for two⁺ years and often see your programs. Sincerely,

Dear Mr Lamb:

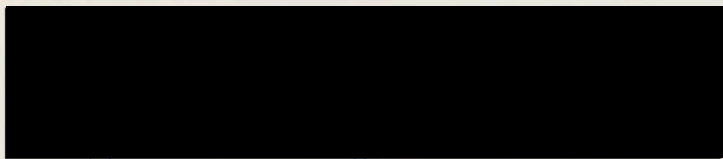

My husband [redacted] and his sister [redacted] were raised in Lafayette Indiana. They graduated from St Mary Grade School - as you have I've been told.

After their parents died ('94+'95), we came across school photos of other students. I didn't have the heart to toss them out thinking that sometime they'll find their way back home (when I have the time to search). I hope this picture is you - or you can tell me who it might be.

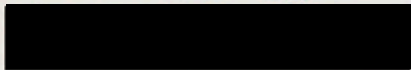

We've been watching satellite television for two⁺ years and often see your programs. Sincerely,
