

I pray this does not mean you're
receiving pressure on this issue.

Now, - a thank you. Book
notes is great!! You have become
a household word in our home.
Inevitably at five to eight on
Sun. evenings someone will say, -
'Is it time for Brian yet?' -
Great TV! Sincerely, [REDACTED]

Dear Brian,

- What happened! How come
there wasn't live coverage of the
Right to Life March in Washington
today, - not even the President's
remarks.

Please, - tell us we haven't

lost a hero. 'You are always fair.
I knew Ted T. would send
down the orders to his crew and
we'd have Molly (Folly) yard
shoved down our throats til we
ran to the off button. But
Nothing on C-Span or C-Span II -
why ???
