

Dear Brian,

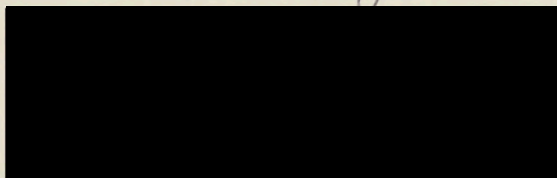

Instead of getting "testy"  
about people calling you ~~staying~~  
<sup>you</sup> have "biased" guests on  
your program all the time that  
are against their choices.

Perhaps an answer that  
I think will keep you from  
getting "testy" and yet accomplish  
what you need to is to reply:

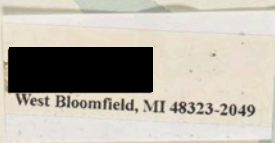

Please send me a list of  
equal pro-choice people and  
anti-choice people that you  
would nominate to be on  
your show.

I also think that you have  
the best (almost the only) TV  
show on the airwaves.

Sincerely,

West Bloomfield, MI 48323-2049
