Mr. Lamb,

I have been a long time viewer of C-SPAN. In the last three weeks, and even before, each time I turn on C-SPAN I see CLINTON or a CLINTON mouthpiece.

Since I have not been able to reach you on the telephone, perhaps this will get your attention.

I sincerely hope your network will afford the same coverage to BUSH. Equality had better be your credo or you will loose a viewer.

Make no mistake,
the C-SPAN audience
is not totally
CLINTON voters, some
of us are realistic
voters.

I shall time your
BUSH coverage as I have
your CLINTON coverage.
Be fair Mr. Lamb!!

Sincerely,
