Dear C-Span,

I love C-Span and I
am a regular viewer.

I want to voice my opposition
to the new phone system.

(One Dem., One Rep., One other.)

I have tried for years to
get through and have never
been successful, but I
believe it should be the luck
of the dial - period.

It's bad enough there
are so many liberal journalists
on, this is just one more slant
their way. This is "stacking the
deck."

Please reconsider.

Sincerely,
