C-S Paw,

O-W)

On Washington Journal
this morning, J.J. ask
a caller to be polite
to your guest!

We the callers ask JJ,
Susan, Connie, Lou, Steve
Bryan to please be
polite to us!

Your guest and you the

2

host and hostess, are
very long winded with
your questions and answers.

We the callers are
expected to get to the
point quickly with as
few repeated words as
possible !!!

You let us know how
well educated they are,
Pardon me C-span, but

your callers seem
more intelligent
than your guest !

Getting sick and tired
of all these well
educated news paper
people and ~~but~~ politicians
who treat us to their
er's, ah's, but, and, a,
ah, you know.

And C-SPAN who

4

continually tell us
how qualified they
are !!! (long list of schools
colleges, jobs, now!)

I am also thinking
of pushing the
button as C. Span
does to us.

Thank You.

P.S. C. Span's arrogance is
greatly showing !!!
