Dear Mr. Lamb:

Have watched C-Span from time to time (flipping channels). Landed there yesterday and stayed put. Great show re: N.H. primary. Not slick and Madison Ave, but down home - messy and featured average Americans in the interviews. Excellent!

As for you - you are now up in the Ted Koppel class as far as I am concerned. Your style is easy to watch, you are not "grinding" like so many of the major TV "personalities" and really provide information to the viewer. Liked the ads, news articles & papers you held up. It gave me the flavor of what is going on there. Also learned about 60+ candidates. No paper or TV news show ever said that here. A small point of info but there that is what makes your show down home & easy to watch.

Also watched See How on Booknotes. Again, excellent TV viewing.

C-Span + Lamb = ★★★★★.
