To whom it may pertain:

I would like to thank you for the attention given to my inquiry, it will be most helpful. My name is [REDACTED], and I will be attending California Southern Law School come the Spring semester. I recently watched the airing of the Black National Lawyers Conference, and was not able to jot down their address. It would be greatly appreciated if you could furnish me with their address, and I would also like to receive the addresses for the Black National Bar Association & the National Prosecutors Association.

I plan to join these organizations, and information on how best to do that is needed. I again, thank you for the assistance and I will continue to watch your programming for the up coming Judge Thomas Confirmation Hearings and more sessions of America & the Courts.

Lawfully Yours,

[REDACTED]
