Sirs,

First off, I want to thank you for your excellent program that provides most of us with a true evaluation of exactly what is going on in Washington and other parts of the Nation.

The News Media (Newspapers and TV) seems to be hiding the facts about the Clinton White House and other facets of the "Hiding and Lying" so proficiently conducted by both of the Clintons.

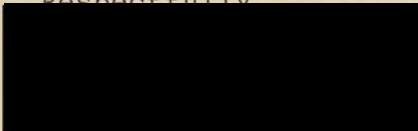

A very valuable program was presented in the CPAC (Conservative Conference), with some of the best speakers that really knew what was "so aptly hidden by the Clintons, both in Arkansas and the White House".

I really appreciated the various speakers telling how the usual Newssources were so adept in completely ignoring the facts about the Clintons. Had they done the job correctly during the Clinton campaign, we would not be facing a possible Socialist take over here in this Nation.

Please keep up your good coverage of all of the facts and continue to keep us informed.

I do have one request, can you forward the enclosed envelope (letter) to CPAC's office so I can learn more about their programs.

Thank you in advance for your assistance, I remain,  
Respectfully

Added Note: We watch CSPAN and CSPAN-2 at least three hours daily. You are doing a great job.  
Best regards to Mr. Lamb.
