

In pursuit of balance!

Why not try a breakdown
for some calls between:

- (1) minorities, victims and
sad stories.
- (2) others (probably a clear line).

Also, do you have any
standards for your coverage
of "groups". You seem to
have a lot of coverage of
"strange" associations.

As long as 90% of your
peers in the media are
"liberals" (mostly secular Jews),
balance is only a word.
Maybe it should be enough
that you are doing a better
job than the others.
Your Saturday morning guy is
sad. Are you going to add a
Spanish type?
