Dear Brian,

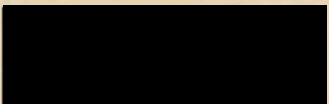

I find you and the other  
C-Span moderators totally  
unbiased. This is so refreshing.  
Who sponsors you?

The idea in my head  
demanding release is:

"What would happen if  
the countries around the  
world refused to trade  
with the United States until  
we cut our crime rate by  
75%?"

The U.S. power brokers,  
after they picked their teeth up

off the floor, would quickly  
take action. How?

Well, they control our  
movies, our television pro-  
grams, our publishing  
companies - and yes,  
our news media.

They own the big  
businesses and the banks.  
~~and~~ We would see real  
changes, which changes  
would ultimately affect our  
morals and our crime  
rate.

Sincerely,  

P.S. Please let me know who  
sponsors you.
