Oct. 24, 1991

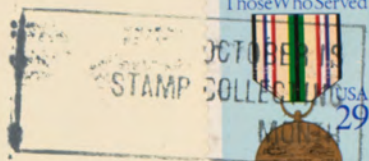

Dear Brian:

Hopefully both the Republicans and Democrats will be a democratic body in the House. Therefore, I suggest the word "Democratic" (an adjective) be changed to the word "Democrats" (a noun) for the Roll Call listing on the House floor.

This has bothered me for what seems like a century. It's a bit like the picture on the wall hanging askew.

Sincerely,

(retired math teacher)
