STATED YOU PROVIDED C-SPAN PROGRAMMING FOR A CHARGE OF \$35.00 PER HOUR. MY GRANDMOTHER IS 74 YEARS OLD, AND SHE LOVES THE UNITED STATES SENATE. HER NAME IS MAUDIE STEWART, SHE HAS PURCHASED SENATE DAILY PROCEEDINGS FROM THE NATIONAL ARCHIVES FOR ABOUT TWO YEARS. WILLIAM LEWIS ALWAYS HELPED HER. ALL SHE HAD TO DO WAS SUPPLY CONGRESSIONAL RECORD SPEECHES AND TIMES. DUE TO HER FAILING HEALTH (A HEART CONDITION), MY GRANDMOTHER IS NOW TOTALLY BED-FAST. SHE DID A LOT OF WORK TO GATHER THE SPEECHES FROM SEVERAL SHELVES OF DOCUMENTS AND THE EXPENSE TO COPY THEM, AND HAS ABOUT \$850.00 INVESTED IN VIDEO TAPES FROM THE NATIONAL ARCHIVES. THE PRICE DIFFERENCE IN PURCHASING THE SENATOR SPEECHES FROM YOU WOULD SAVE HER ABOUT 35 PERCENT DEPENDING ON THE AMOUNT OF A GIVEN ORDER. THE QUALITY OF THE SPEECHES WOULD NOT HAVE TO BE MINI, ONLY WATCHABLE. THE DOCTOR SAYS C-SPAN HELPS HER NOT THINK OF HER ILLNESS AND KEEPS HER MIND ACTIVE. ANY HELP WOULD BE DEEPLY APPRECIATED.

SINCERELY,

Eloise
