To Whom It May Concern:

Thank you for the copy of the 1992 Election Calender:
America Goes To The Polls. I have found it a fascinating
pictorial retrospective of our electoral history.

Unfortunately I would like to inform you of an error
that appears in a caption of a photograph of Lyndon Baines
Johnson addressing a "throng of supporters". The
photograph appears opposite the dates October 4 through
October 10. President Johnson is speaking in Buffalo, not
Boston, as the caption informs us. The President is
standing directly in front of City Hall looking out onto
Niagara Square and the McKinley monument.

Thank you for your cooperation.

Sincerely,

1964
