

Congratulations !!

your call-in 10/12 provided

The balance of an FDR
demo. with a NY Jew.

CSPAN is a joke if
it is suppose to offer
balance. If it is to

offer a platform for
(not segment) for
the "liberal media" - you're

doing a fine job. You are
as corrupt as your sponsors
in the cable industry
are greedy.

Thanks for CSPAN (NOT)
