Please send the information on your favorite
President contest as described on C-SPAN
this morning.

I tried to get through unsuccessfully 1½ hrs. earlier
this week re. Pres. Hoover (West Branch, Iowa) as my
Grandfather knew him personally & regularly took him
to Yancee Stadium for World Series Games over a
long period of time - but you are too popular, even
when discussing a seemingly unpopular President!

(Thank you
for wonderful,
helpful
programs
& esp.
Book TV)
