C. Span - American Network
400 North Capital St.
Washington D.C. 20001

Dear Sirs ^{and} Madams:—

I watch C. Span because this Public
Network demonstrates how our laws
and justice for all is created in our
country.

Moreover,

it better presents the opportunity
To evaluate qualifications of presidential
candidate, who must protect our economy
environment, humanity and world leadership,
and avoid nuclear war.
