Dear Mr. Lamb,

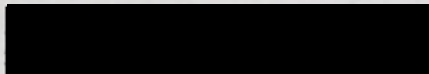

Your program can become addictive...the quality of guests and the topics covered make it a very interesting and worthwhile show.

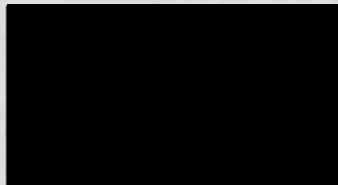

A topic I would strongly recommend that you cover is the near decade long battle between INSLAW and the Department of Justice. Two recent newspaper articles provide a fine introduction:

- Today's Washington Post editorial entitled "A New Look At INSLAW" stating that it is about time that someone at Justice held an investigation.
- The October 21 OP-ED article in The New York Times by Elliot Richardson calling for the naming of a special prosecutor.

I hope to see this addressed on C-SPAN in the very near future.

Sincerely,

Stamford, Connecticut 06902
