

Dear Mr. Lamb:

Bravo on your coverage of the British Elections, via the BBC.

I hope you'll also give similar coverage to the upcoming Canadian Elections.

Could C-SPAN or C-SPAN II run weekly newscasts from the BBC or CBC? How about occasional TV newscasts from other English language nations, such as Australia, Ireland, New Zealand or South Africa?

I also enjoy when you broadcast local radio talk shows from around the country. Thanks!

O. BRITS
