Dear Brian & C Span:—

I give my vote to C span
as the most intelligent
and fair program on T.V.
The Boys & Girls on your
program look sincere
and their eyes look at
you with kindness and
friendliness they make
you proud to be an
American and I know they
tell us like it is I am
74 years old and still going
strong I am a democrat
Wishing all of you on
C span Good Luck &
Lots of Love
