Dear Mr. Lamb:

I noted that on one of this weeks, call in morning show, you tried too justify a prior show's guest, The American spectator, you stated that you were out of the country, if you will re-run your tapes you can see that this individual was allowed too slander president Clinton without being rebuked.

I have challenged C-Span several times, I will now challenge you, that if you are sincere, I not afraid too hear opposing stories, too have as future guests, Ron Marks, I Jack Terrell, Authors of Disposable patriots, Ron is with the Atlanta journal Constitution, Alan Friedman, Author of Spiders web., I Michael La Bean, Author of The Big White Lie. Sincerely,
