Dear sir or madam:

CONGRATULATIONS!

I knew you could do it right. It is now a pleasure to watch the Moscow Evening News. I have one more suggestion from an aesthetic perception, because of a change that the Russian TV news agency made recently (perhaps to accomodate C-SPAN). However since I am happy with the transmissions as they exist now, I will refrain from offering any other suggestions. If you are interested give me a call. I will give you a hint. While looking at the Russian News broadcast bear in mind that my astrological sign (otherwise nonsense) is LIBRA.

Keep up your good work in general.

Sincerely yours,
