

Sir - I just had my TV OFF all day Sunday - 4/25/93

If you think C-SPAN's all-day coverage of the "Gay-Lesbian WHAT-EVER" would be what your devoted audience wanted to see Sunday, you couldn't be more wrong! What a waste of time! What if everybody decided this is the "way to go"? Who would procreate the world?? It is all so nonsensical, I can't believe you think this an important subject w/so many, many, really subjects your audience is interested in. No, I'm not "a religious NUT", or a "right wing fundamentalist" - as you would call me. Simply one who believes in God & the bible + what it says about the subject. Sincerely,
check it out -
