

How can you 6-17-97
C-Span put up with some people?
I'm old, I'm a mart, I
know people.

Emo

2 people you had on
in the last two weeks -
were disgraces to Americans.

(A) Woman - last week - raw
boxed-big and ~~interrupt~~ ^{interrupt} ~~like~~ ^{like}
Arrogant to the nth degree,
Name? Malrow ^{Malrow} ~~Barlow~~ ^{Barlow} ~~don't know~~
I bet she's had her whole
educational life paid for
by the hard-working Americans.
People. It was an ugly
episode - Butted in, Rude,
no civility at all. Angry.

(B) Man (note the fluffy ^{fluffy} ~~key~~
feminine bow-tie) (just got in)
Earl Blumenhauer - Oregon.
~~I don't like to pay his salary.~~
Pushing himself to stay in
 cushy job. Supercilious.
Tried to Domineer - Knew
little. Lied about Republicans.
Looked down his nose - no class,
what a country!
