May we apply for a free plug the next time we have a political article for sale? Know we're not the first to object to the underwear display and sales pitch given to Marshall Reese by Brian Lamb this morning. In all our years watching C-SPAN, it's the first time we've seen Mr. Lamb being that unprofessional. After seeing the immediate "fax" reaction, we weren't going to write - but did want you to know how we felt. We love your programming, especially any time Brian Lamb is on - guess we were mostly just disappointed. We don't expect any type of reply to this note - just registering our opinion!

*Sincerely,*
