Dear C-Span Family,

12/25 - ANS'D

First I must tell
you I am addicted to
your programs, not being
home bound, I do enjoy
your Press Luncheons,
Brookings Institute Panels,
and Congress Day-by-Day,
there are so many panels
that get my attention - I
thank you!

To get to the point -
Sat. Eve. 12/22/90 Brian
Yarb interviewed the two
authors - husband & wife
about their new book -

Yasser Cerafat,

I did not want to miss
any of the discussion - not
having a pen & pencil available
at the time, I have forgotten
the "Authors" names

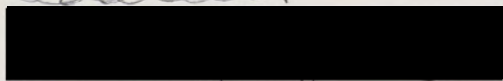

Please advise:

The names of the "authors,"
has the book been published,
is it available at the Public
Library in the Non-Fiction section?

Obligingly Yours,

(Mrs. )
