Re: Election - November 4-92

Dear Mr. Lamb:

As always this is a satisfied listener. You could save the U.S. government if everybody listened to C-SPAN and Rush Limbaugh. Speaking of Rush, I am requesting he, Rush, be on for the 5:00 A.M. L.A. time, after President George Bush & Vice-President Dan Quayle WIN. He, Rush, is the one force that helped the Republicans win. The last I saw was Rush after the Democratic convention. Your remarks later implied he was not well received. Please!

Your interview at Lansing, Michigan high school was revealing. Mrs. Marks(x) in my opinion is what is wrong with education. I said to you a year ago students are bored. You asked: "How do you know?" I said: "I asked. If those students listen to C-SPAN and Rush, Michigan would save lots of money. Their answers are - were lazy. No depth. The typical approach of "liberals" such as Mrs. Marks(x). Would you send my sister-in-law 25 of your Constitutional booklets. She is a 4th grade teacher. She thinks education is a "RIGHT." Her address is on back. Thank you, [redacted] see you in Montana!"
