

Dear people at C-Span,

I would like to thank you for your informative programming. I have tuned in to your channel when our Congress voted to support President Bush in the Persian Gulf. I watched with great interest the hearings of Judge Thomas, and most recently your local coverage of the election in Louisiana. Thanks for a job well done!

I was wondering if you could send me the mailing address of David Duke's legislative office. I do not agree with the activities of Mr. Duke's past. I do want to commend him for sending a message to politicians about the discontent of the American people. It is difficult to imagine that a man like Duke could receive the support that he did. Duke did not win the election, but he was successful at sending a wake-up call to all politicians.

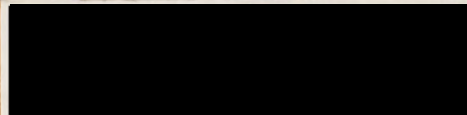

I have enclosed an S.A.S.E. and I would appreciate Mr. Duke's mailing address.

Thank you,
