

Ross Perot appeared twice before
Congress as you know, against N.A.F.T.A.
+ Twice was not televised by you or the
other Media.

Mickey Kantor is all over C-Span
Selling this treasonous treaty - the
latest this morning May 6th live in
Congress. I'm sure there will be reruns
going all night + all day until Monday.
But then - you are backed by Cable T.V.
+ they are setting up in Mexico!!!!!!!
