Dear Sir:

Sunday afternoon February 20, I listened to Senator Phil. Gramm, R. Texas as the main speaker at the Health Care Reform meeting in Sioux Falls, South Dakota. I enjoyed his talk and agree with his thinking on the subject of health care.

Is it possible to get a copy of his speech or the three main reasons why we should fight to keep President Clinton's Health Bill from getting passed?

I am a Senior Citizen and write a weekly column in our local newspaper called "Prime Time" that informs seniors on what services and programs are available for their information and enjoyment.

Your cooperation will be greatly appreciated.

Sincerely,

[REDACTED]
