

Anyone who would put
Phyllis Schlafly on T.V. has
to be a Right Wing Republican.
She is awful. This mon.

A.M. guest is no liberal
either and major Garrett is
O.K. ^{but is she a Liberal?} After you have in-
flicted on us a whole raft of
GOPers, then you don't seem
to know any white liberals
so you find some great
ones to present. O.K. but where
are the Anglo Saxons?
