Dear Mr. Lamb:

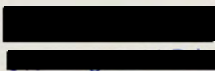

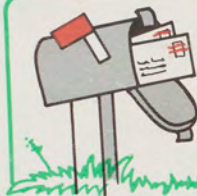

C-Span is much appreciated.
It was watched until the election
result was known. Then C-Span and
ABC were watched.
I wish I did not believe
the networks have an axe to grind,
but that is the case.

Remember the headlines: The
Soviets Threaten, The U.S. Warns.
It can be subtle.
Also, Banknotes is appreciated
for the kind reviewed.

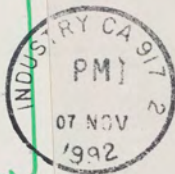

Best wishes,

Ms. [REDACTED]
