Dear Brian,

I am writing because I feel badly about that nasty Senior Citizen Call from Ohio. I know you care about your viewers but please don't take it to heart. It's hard to believe that she was speaking for all 300 but if that's the case it is their loss.

I'm starting to hear a decided change in some of your callers. Could it be that the Clinton Campaign Strategy of dividing classes has caused this hateful, mean-spirited attitude?

The Wall Street Journal, programming, is super - like being on the road again.

The school bus is great?
Keep up the good work -

A wonderful, joyous New Year to all

P.S. Susan, I like your hair & you're pretty as ever.
