

S-W - August 12th 1995 -
Hello Mr Lamb:-

In July (on the 25th) you interviewed
Mr. Earl Powell of the National Gallery of Art. -
One of the best programs I've ever seen!! - My
question is: would it be possible for C-Span to
'run' that program again but at a later time
in the day? (preferably in the evening?) - told
so many friends and relatives about it and
they have regrets about having missed it. -
Well, anyway, wanted you to know how very
enjoyable your programs are. - and 'Book-
notes' takes precedent over 'Murder
She Wrote' any day. - on Sunday p.m. -
With that the program 'British House
of Commons' would be shown again. - and the
interview w/ Nick Garland was most in-
formative. -

If and when the 'National Gallery
of Art' is rescheduled would you please

Let us know here in Raleigh?? - I maintain a home in Virginia but business keeps me here in Raleigh, N.C. - and so many of my friends want, ^{you} to know, you have an avid following!!

Sincerely

(Raleigh, N.C. - 27607.
