RE: 5/9/94 morning call in program
with Kondrake & Cohen of
the Wash Post.

You have settled into your morning
marade. Two of your inside the beltway
buddies, Cohen, very very Democratic and
Kondrake, moderate; and performing
true to form as, Cohen sez ~~the~~ Republicans
prodding status quo and rightly so
K sez, no, Democrats protect status quo;
both oppose A to Z to protect the
Democrats & the majority party;
hence Cohen sez, essentially states take
care of everything but defense & foreign policy;
REALLY!!; they like great B Lamb sez to
a call, the Paula Jones story printed all
over, - MAY NOT SO - only the Wash Times locally,
as you should have said the Wash Post refused
to print story after their reporter vetted
Paula back to hi-school. A.M. spent \$30,000 in NYT
& Wash P. to get story out.
