Dear Brian,

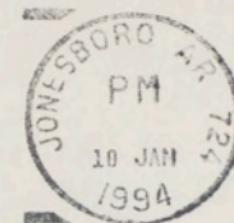

Thank you for introducing us to Imus in the Morning!  
What outrageous fun and what a pleasure to  
be able to enjoy political incorrectness for a  
change.

All of you at C-Span are appreciated more  
than you can possibly know. You cover our  
entire political world with unequaled fairness  
and diversity. I have been a C-Span fan  
almost from the beginning and did manage to  
get one call through about four years ago.

I have only one suggestion - Some of your guests  
could listen a little more and talk a little  
less. From these years of watching C-Span, I have  
concluded that there is just about as many experts,  
and just about as many kooks, there in Washington as  
there is out here in the rest of the land. I learn  
something from all of them.

Keep up the Good Work,
